Reduced Pet Adoption Prices

Back to School Buddies Program Kicks off Saturday at SEAACA

Downey, Calif "Because Pets are Good for Learning....that is the tag line for this seasonal pet adoption promotion and we truly believe they are," says Dan Morrison, Executive Director for SEAACA. "Studies have shown that pets can have a relaxing effect on people, can lower blood pressure, and we all know they'd lay by your side till your homework is finished," chuckled Morrison.

Pet adoption fees are reduced as part of the Back to School Buddies program at SEAACA. Dog adoptions are \$60.00 and Cats \$30.00. The fee includes: spay/neuter, 1st set of vaccinations and a microchip. This promotional campaign starts Saturday, August 29th and goes thru Wednesday, September 30th.

"We're all scrambling to get our kids in back to school mode and it's easy to forget that there are amazing pets here at SEAACA waiting for good homes," stated Aaron Reyes, Director of Operations at SEAACA. "Why not bring a loving, loyal pet into the family to help the kids with their homework," Reyes asked. "Our pets don't eat homework though...they know better." Reyes said.
