PET TOYS REQUESTED THIS HOLIDAY SEASON

Downey, CA. SEAACA, the Southeast Area Animal Control Authority in Downey, is asking for pet toys for their shelter dogs and cats this holiday season. The animal care center believes a happy pet is a healthy pet, and toys sure make the critters happy.

“Part of the environmental enrichment program is providing our homeless pets with something to call their own, like a beach towel or toy, says Dan Morrison, Executive Director for SEAACA. “When they feel comfortable their stress level is decreased and they tend to show better to the visiting public and stay healthier,” stated Morrison.

Anyone wishing to donate an unused pet toy is asked to bring it to SEAACA at 9777 Seaaca St. in Downey, Monday thru Saturday – 8am to 5pm. “In honor of the holiday, we will write the names of all donors on a red paw ornament and paste it next to our Christmas tree in the lobby as a form of appreciation and recognition,” Morrison said. Toy barrels are set up in the lobby at SEAACA to facilitate drop offs.
