Valentine's Day Pet Adoption Event in Downey!

Downey, CA... There will be lots of pink hearts and red kisses to go around this Saturday, (2/14/09), at the Southeast Area Animal Control Authority (SEAACA) in Downey. Local school kids will be on-hand making Valentines for SEAACA's shelter animals, while staff and volunteers will be assisting the public with match-making with their potentially new furry friend! "Our adoption fees have been reduced for this wonderful event and we will have lots of fun Valentine's Day activities going on," says Dan Morrison, Executive Director for SEAACA.

SEAACA will be open to the public from 10am to 4pm, and the adoption fees are - \$50.00 for DOGS and \$25.00 for CATS. BUNNIES are \$10.00! "Even if the animal is not available to go home on Saturday, we will honor these Valentine's Day prices for anyone who selects an animal to adopt on Saturday," Morrison said.

Found Animals Foundation, a non-profit animal support organization, is partnering with SEAACA to make this amazing pet adoption event possible! www.foundanimals.org
